Mission Statement

St.Molua's NS is a co-educational, Catholic primary school which strives to provide a well-ordered, caring, happy and secure atmosphere where the intellectual, spiritual, physical, moral and cultural needs of the pupil are identified and catered for.

While ours is a school with a Catholic ethos, it also shows due recognition for all other religions.

The school will strive to promote the professional and personal development of staff.

Parents are encouraged to become involved in school activities through home/school contacts and through involvement with the Parents Association.

Our school will endeavour to enhance the self-esteem of everyone in the school community, to instil in the pupils respect for people and property and to encourage in them the idea of being responsible.

Gender equity will be promoted at all times amongst the teachers and pupils.
